An entry/discharge tracking record (A0310F=01, 12) cannot be combined with any other type of record

An OMRA assessment (A0310C=1, 2, or 3) is a PPS assessment and must therefore have a PPS reason for assessment  
(A0310B must equal 01 thru 07)

If A0310B=07 (unscheduled assessment used for PPS), then either A0310A must be 04, 05, or 06 (unscheduled OBRA used for PPS)  
or A0310C must be 1, 2, or 3 (OMRA)
